

INVENTORY MANAGEMENT MANUAL

Purpose: This manual outlines procedures for managing inventory across all branches of Challenge Enterprises of Ghana.

Stock Receipt: All received stock must be recorded in the inventory system immediately upon arrival.

Stock Issuance: Items released for sale or distribution must be properly documented.

Stock Reconciliation: Weekly stock checks shall be conducted and discrepancies reported.

Reporting: Branch managers must submit inventory reports every Friday.

Responsibilities: Warehouse and Inventory staff are responsible for maintaining accurate stock records.
